DETAILED ACTION

Allowable Subject Matter

1. Claims 1-14 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The claims are allowed over the cited prior art because none of the references teaches or discloses a circuit having a controllable self-conducting semiconductor switch connected in-series with a load; a first energy storage circuit connected in-series with the load, said first energy storage circuit comprising a first energy storage device and a first rectifier connected in-series; and a control circuit for the self-conducting semiconductor switch and said auxiliary switch, wherein said control circuit is operable to sense a voltage from the first energy storage device and close and open said auxiliary switch, respectively, when the voltage from the first energy storage device exceeds a predetermined first value and falls below a predetermined second value.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Y. J. Han whose telephone number is 571-272-2078. The examiner can normally be reached on Mon-Fri 5:30am-2:00pm.
